

Enjoy all of your favourite content on a large 6.2" clear type resistive multi-touchscreen, right on your car dashboard. Take your music and video collection with you on the road: the DMH-G220BT plays audio/video from USB. Additionally, this car AV player features Bluetooth, allowing you to stream your music or call hands-free over a wireless connection.

MAIN FEATURES

- Pioneer Clear Type Resistive display panels are designed for beautiful crisp and detailed reproduction with enhanced visibility
- Maximise connectivity for hands-free calling and easy wireless audio streaming via Bluetooth
- Connect any device with an USB interface cable to charge your device or listen to clean, clear sound
- Compatible with Android: Connect and listen to music stored on your device without the need for an app
- Camera inputs enable you to add a reverse camera that can assist with rear visibility, towing, or parking
